# Introducing the new Samsung Air Purifier

Model: AX5500 (AX60T5080WD/SA)

**SAMSUNG**

**Keep your customers  
healthy and hygienic  
with the new range  
of Samsung Air Purifiers**

Model: AX5500 (AX60T5080WD/SA)

# Why Air Purifiers?

Consumers are increasingly concerned about breathing impure air that includes gases, dust, chemicals, and various odours that comes with everyday lifestyles. The new purifiers answer those concerns with cutting-edge purification capabilities, including HEPA filtration systems that captures up to 99.97% of contaminants.\*

## Why Samsung Air Purifiers?

Samsung Air Purifiers work quickly and effectively, leveraging a comprehensive detection system with advanced sensors and a display that provides users with precise information about current indoor air quality conditions. They also have Wi-Fi In-Built^, allowing users to monitor their indoor air pollution levels from anywhere, and conveniently control it remotely using the SmartThings app.

Samsung's entire Air Purifier range has been awarded by Sensitive Choice which is an organisation that helps the millions of consumers worldwide live better with asthma and allergies.

# Introducing a new world of purification

Whether it's a large space or a kid's room, there is a Samsung Air Purifier to suit every room in the house!

\*Tested on the AX40M3040WMD for xylene, benzene, ethylbenzene, styrene & formaldehyde gases. The filter media has over 99.97% dust collection efficiency, based on a particle size of 0.26 um, as specified by 42 CFR part 84. Antibacterial function tested on the filter media of the dust collecting filter. Tested in the National Test Institute of Korea.

<sup>^</sup>Wi-Fi is only available on the AX7500 and the AX5500.

\*Reflection of the volume of air in CFM (cubic feet per minute) that is cleaned of particles of certain sizes.

SAMSUNG

Model: AX7500 (AX90T7080WD/SA)

## AX7500 Air Purifier with Wi-Fi

Powerfully purifies 90m<sup>2</sup> of large open plan living spaces with ease.

### Hygienically Clean

The HEPA filter removes 99.97% of ultra-fine dust and inhibits the spread of captured bacteria.

### Samsung's most powerful Air Purifier

Purify the air in your living spaces quickly and powerfully with Dual Power Fan.

### Monitor at a glance

Clearly see from a distance how clean your air is with a 4 Colour Indicator and Numeric Air Quality Display.

### Purer air everywhere

With a clean air delivery rate of 701m<sup>3</sup>/hr, the 3 Way Air Flow and Dual Power Fan purifies your large living spaces quickly and powerfully, to help keep your whole family breathing healthy air.

### Breathes in the things you shouldn't

Help alleviate allergy symptoms and reduce irritation to eyes, nose and throat, by capturing airborne particles with the Multi-Layered Purification System.

### Sleep in comfort

Sleep Mode switches display lights off and delivers a whisper quiet air flow of 21dBA creating a comfortable sleeping environment for you and your family.

### Healthy air always

Dust PM 1.0/2.5/10 and Gas Laser Sensors automatically monitor and adjust, in real time, to maintain healthy air quality so you never have to lift a finger.

### Simply smart

With Wi-Fi In-Built you can monitor and control the air quality in your home from anywhere using the SmartThings app.

SAMSUNG
